

# Bayesian Hierarchical Models in Survey and Meta-analysis Applications

Wei Wang

Dec 2<sup>th</sup>, 2013

# Overview

- 1 Hierarchical Non-parametric Models for Individual-level Meta-analysis
- 2 Accurate Prediction via Higly-biased Online Survey Data with MRP Correction
- 3 Sensitivity of Cross-validation in Hierarchical Model comparison

- 1 Hierarchical Non-parametric Models for Individual-level Meta-analysis
- 2 Accurate Prediction via Higly-biased Online Survey Data with MRP Correction
- 3 Sensitivity of Cross-validation in Hierarchical Model comparison

haha
